Dear Friends,

We hope this finds you well! It is hard to believe that the holidays are quickly approaching. Once again, we are preparing to make Christmas bright for area children, teens and families. The need for assistance has continued to be great throughout the year and we anticipate significant need for assistance during the holidays.

We invite you as a group, business, family, or individual to join us in spreading the joy of the season by becoming a Teen Angel! Together we can ensure that teens, 13-17 years of age are not overlooked this holiday season. We know that it is tough to buy for teens - however, through the Teen Angel program families provide a wish list, sizes, favorite colors, and other personal information to make the gift buying fun and rewarding.

We hope you will complete the Teen Angel Adoption Application and join us in fulfilling Christmas Wishes for area teens this holiday season or sponsoring a Holiday Food Basket with all the fixings. Attached are also other partnership opportunities that are available this year. We know that things are not back to normal and are happy to work with you on what works best for you to make Christmas special for area children and families.

The Salvation Army Holiday Assistance sign-up begins mid—October and runs through November with both in-person and online applications being accepted. We will match teens with Teen Angel sponsors by Thanksgiving in time to take advantage of the holiday sales.

No child or family should be left out of the wonders of the holidays. For struggling families who do everything in their power to maintain a safe warm home, food on the table, and their family clothed-for many Christmas during this critical time is beyond their reach. Together, we can share the true meaning of Christmas, ensure a season bright with smiles, laughter and hope as well and bring families together around the table in fellowship for a Holiday Meal.

Please complete the attached Teen Angel adoption application as soon as possible or select other areas of interest. If you have questions please do not hesitate to contact me by phone 231.946.4644 ext. 308, cell 231.649.2752 or by e-mail at ruth.blick@usc.salvationarmy.org.

Thank you for joining us to ensure Hope Marches On for our most vulnerable neighbors.

Be safe and be well...thank you, and God bless.
