Dear Soldiers and Friends of the Omaha Citadel Corps,

As I write my part of this month's newsletter, I write to you today with a mixture of sadness and joy. Sadness because our dear friend and fellow co-worker, Linda Ullrich, is putting together her last Omaha Citadel Newsletter. Linda will retire from active employment as the Omaha Citadel Corps Admin officially on Friday August the 2nd, 2024. Linda has been with Omaha Citadel for almost 8 years now and has brought so much to this corps and to this staff. Linda's professionalism shines in everything she does, from her marketing skills to her people skills to her program skills. God has uniquely gifted Linda for this position here at Citadel and has lent her to us for these past 7½ years.

We are so grateful to God for sending her our way and allowing us the privilege of serving alongside this wonderful servant of the Lord, we will miss her for sure. Now for the joyful part of this news. After a lifetime of hard work in various jobs throughout her life, she will be able to enter into full retirement along with her husband Jeff, who retired about 2 and a half years ago. She plans on traveling, gardening (which she loves), working on her projects at home, hosting Bible studies and hosting Christmas parties. She is excited about being on her own schedule and doing some of the things she has always wanted to do but never really had the time to do. We wish Linda the very best in retirement and will pray for continued good health, peace and great joy as she enters this season of Life. Thank you for all you have done for the Omaha Citadel Corps, we love you !!!
