Greetings!

Attached please find information regarding the 2018 Salvation Army Scholarship Program. Our local Salvation Army is fortunate to have received endowment monies specifically earmarked for scholarships to recognize students that are involved in community service. Historically, we have given out as many as ten (10) \$5,000 scholarships a year to local applicants who are furthering their education at the postsecondary level.

We are truly thrilled to be able to provide assistance to those residents of Monroe County who wish to further their educational experience and simply need a financial boost in order to make it happen.

Please make the attached information available to those in your organization who may qualify and may wish to apply. All properly completed applications **must be received by the Salvation Army on or before Monday, April 1, 2019 at 4:00pm.** Winners will be announced on April 22, 2019 and will be notified via mail.

Lastly, should someone from your organization be chosen to receive a scholarship, we ask that the recipient be announced at your commencement exercises and/or at the time when other scholarship awards are announced.

Thank you in advance for helping us to promote our scholarship program. Your efforts are greatly appreciated! Should you have any questions or require more information, please feel free to contact us at (570) 421-3050.

Sincerely,

William Van Meter
