"There are far, far better things ahead than any we leave behind"
-C.S. Lewis

These are such fitting words for where we find ourselves today. The past 2 years have been difficult in so many ways - in society, in our personal lives, in our workplace and in our churches. It is so easy to focus on "things of the past" instead of focusing on the future.

Scripture reminds us "But one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead, I press toward the goal for the prize of the upward call of God in Christ Jesus" Philippians 3.12

At The Salvation Army Kroc Corps Community Center, The Salvation Army mission has driven our ministry and service to those in need within our community. In 1865 The Salvation Army began under the name Christian Mission in the slums of London, England. The mission began to bring hope to those who were struggling under the weight of their "life circumstances". In 1880 The Salvation Army came to the US with the same mission which continues today.

The Salvation Army was honored to partner with Montgomery County in providing rental assistance to over 700 families facing eviction. Our mission has remained constant. Our desire to serve the community in the "name of Jesus without discrimination" has been and always will be our driving force, moving forward in Jesus name.

We are thankful for the support of individuals and businesses throughout the Miami Valley that have enabled us to continue to serve.

God bless you,
