GIVE THE GIFT OF A MEMORABLE SUMMER

**Celebrating 51
Summers of FUN!**

The Salem Salvation Army believes every child should get to experience Summer Camp if they want too. This summer our beautiful Camp NEOSA located in Carrolton, OH will celebrate 51 years! Each summer children from our area get to experience summer camp with children from all over Northeast Ohio. Camp NEOSA is accredited by the American Camping Association.

With rising costs for everyday living many families can't imagine making a summer camp experience happen for their children. Every child only gets so many summers to just be a kid in the outdoors. We strive to keep overnight camp affordable for all families covering the full cost for almost all of our campers and not charging more than \$25 to the rest. We want Summer Camp to be an experience available to every young person in our area. We offer this opportunity to all young people and intentionally reach out to families in our community that we know have experienced extreme hardships such as house fires to be able to attend. This summer two of our Music students will also be able to attend Music Conservatory at Camp NEOSA.

Donations can be mailed or dropped off at our office at 1249 N. Ellsworth Ave. Salem, OH. 44460.
