Extending Love throughout Ashland County
The Social Services ministry provides a compassionate and realistic response to families and individuals in crisis. Persons applying need to be below 200% of the federal poverty guideline. Persons applying are asked to bring a photo ID, proof of household income, and proof of address.

Applicants for assistance must be residents of Ashland County. Each head of household must complete and sign an intake form.

Our goal is to achieve long-term solutions to problems to enhance family stability. During the one-on-one interview with the Emergency Assistance Case Manager, solutions to the underlying cause of the crisis are addressed through referrals and advocacy.
ARE YOU A RETIRED INDIVIDUAL? OR LOOKING FOR A WAY TO GIVE BACK TO THE COMMUNITY?

The Salvation Army Ashland Kroc Center has now partnered with Corporation for Appalachian Development’s Retired Senior Volunteer Program.

The COAD Retired Senior Volunteer Program is federally funded by AmeriCorps. When you join RSVP, you qualify to get paid mileage to and from the volunteer location, get invited to their special events, and even get a supplement accident insurance coverage at no cost to you. That means, in the rare circumstance that you get hurt while volunteering, whatever your insurance does not cover, RSVP will.

By partnering with the Ashland Kroc and RSVP, you get:
- improved health and well-being
- chances to form meaningful relationships
- increased physical activity
- time away from home
- a sense of accomplishment
- opportunities for personal growth

The Kroc Center’s Food Pantry is open Mondays from 11 a.m. to 2 p.m. and Tuesdays through Fridays from 10 a.m. to 2 p.m. Our Food Pantry Coordinator needs reliable, physically-capable individuals who are willing to go the extra mile for those in need in Ashland County.

We are looking for people to stock shelves, pack groceries, put away food as it is delivered, and share the love of Christ with all who are in need.

If interested, we can reach out to you with exciting opportunities that become available throughout the coming year. Your gift of time and talents can make all the difference. Contact our Volunteer Manager at 419-281-8001 or visit ashlandkroc.org to raise your hand to love beyond the holiday season.

Special thank you to the Ashland High School Cheerleaders, who graciously volunteered their time to assist with the ‘Carnival Day’ at last year’s Summer Food Service Program.

What inspired Joan Kroc to invest in these community centers developed by The Salvation Army?
For Joan Kroc, late wife of McDonald’s founder Ray Kroc, the seed was planted for the concept of what would eventually become The Salvation Army’s 26 Kroc Centers across the U.S. in the late 90s. Touring poor neighborhoods in the Southern California area and witnessing kids aimlessly milling about on city streets struck a nerve with Joan. She had grown up poor in St. Paul, Minnesota, and felt called to help provide a safe gathering place to nurture children’s social skills, arts appreciation, and athletic potential.

Joan partnered with The Salvation Army for the development of the very first center. She was so pleased with the first Kroc Center, when Joan passed away in 2003, she left $1.5 Billion to The Salvation Army to establish similar centers across the U.S. At that time, it was the largest philanthropic gift left to a single organization in history!

One of the stipulations was that the community needed to raise funds to supplement the endowment, as it needed to be sustainable for the future. A second stipulation ensured that the facility and its programs would be available to the underserved. And a third provision requested that each center be unique to a community’s needs. In other words, a Kroc Center may not build something that the city already provided.

These principles guided the development of one of the first Kroc Centers built on the eastern side of the country in our small community of Ashland, Ohio. From its earliest days, the Ashland Kroc Center was among the smallest of the 26 centers built by The Salvation Army. Fifteen years later, The Ashland Kroc Center is still serving the community with arts and fitness programming, an indoor waterpark and outdoor spray park, a chapel, social services, and as a community gathering space. If you haven’t already, come visit and check us out!

Members can party like a Kroc Star for less!

When you become a member of The Ashland Kroc Center, the benefits include 30% discount on room rentals and birthday parties.
