## MEDICATION

- DO NOT PACK - please give to Sender

If your child is on any physician prescribed medication, please be certain that they bring the medication to camp. It will be stored under lock and key in our health lodge. Each medication must be brought in the original prescription bottle/container. This includes the boxes that Asthma inhalers are packaged in. Be sure the physician's instructions are on the prescription bottle/container and that there is enough medication for the entire camp period. Be sure that detailed medication information is on the Physician Examination Form including name, dosage and times when the drug(s) is to be administered.
