So Much Need...

It is hard to believe but for over 130 years, The Salvation Army has sought to stand in the community against, hunger, homelessness, and despair-in the Name of Jesus Christ, without discrimination. Perhaps you have walked by a kettle during the holiday season and thought about volunteering to help those in need to make a difference in our community. It takes an entire Army to meet the needs of those that are struggling and that is where our amazing volunteers close the gap!

HELP WANTED!

Most of the volunteer opportunities with The Salvation Army occur **Monday thru Fridays** between **9:00 a.m.-6:30 p.m.** Adults over the age of 18 are eligible to participate in the Volunteer programs throughout the campus site. While many are individual in nature, groups may also be scheduled for various projects throughout the facility. In order to keep our program participants safe, and to adhere to State regulations, all volunteers coming on a consistent basis will need to complete an application and several background checks. Due to the expense, The Salvation Army will supply a match to the \$20.00 fee the volunteer must contribute to begin the process. Typically, the application process takes about 2-3 weeks to complete. Applications will be completed during the Information sessions held monthly at The Salvation Army.

In addition, some short term opportunities such as ringing the bell for kettles or serving during the holiday meals are the perfect time to involve families and groups. Information for these are available on the website:
www.salvationarmylex.org.
