The Army recognizes that physical, emotional and social restoration must go hand in hand with spiritual rebirth. The Army practices an integrated ministry, uniting spiritual, social, and physical support. DONATE

At The Salvation Army's Ashland Kroc Center, our ministry is motivated by the love of God, our mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination.

In 2024, we provided **28,304 participants with groceries and meals.** That includes **1,193 Senior Citizens**. We also provided those Senior Citizens with Commodity Boxes filled with non-perishable food items. We served approximately **10,889 hot meals** to those with need. With the help of many local partners, we gave **1,558 Christmas toys** and **4,500 free summer lunches** to children. In addition, we provided before and after-school childcare and a summer day camp program.

We can't do this alone. We need your continued help and support. As inflation and homelessness continue to increase, we are seeing a sharp increase in local need. We anticipate that trend will continue. Please consider a gift of any amount to help those who are less fortunate.

ADOPT-A-FAMILY & ANGEL TREES FOR CHRISTMAS

Last year, The Salvation Army's Ashland Kroc Center served more than 2,800 social service clients per month. In 2025, with inflation and homelessness on the rise, we are already seeing a sharp increase in need for social services and emergency assistance. As we approach the holiday season, we anticipate that trend will continue with an increased need for Christmas assistance.

If you feel led to help an Ashland County family this holiday, we have two opportunities:

- 1) Adopt-A-Family: Choose the family size to sponsor and purchase items from the child's wish list along with items for the adult(s).
- 2) Angel Tree: Visit one of our partner locations, select an Angel Tag, purchase the gift, and return it to The Ashland Kroc Center.

For more information, please call (419) 281-8001.

Pre-Registration is Open for the 2025-2026 School Year!

When the Drone Soccer program launches at The Ashland Kroc Center this fall, we'll be only the third location in the state of Ohio to offer this fast-growing, new sport. One of the goals of drone soccer programs is to inspire students to pursue education and careers in aerospace and science by leading students to build, program, fly and become successful team members.

Originating from Asia, drone soccer involves two teams of up to five players per team. Each player is equipped with a drone and has a position, similar to traditional soccer, and the drones are flown in a large cage. The winner is determined by the team that scores the highest number of goals.

We're proud to be partnering with Ashland City Schools on this new program. Our co-ed teams will be open to kids in grades 6 - 8 from any Ashland County school.

Interested in joining us? Scan the QR code to the right to sign-up to receive details once they're finalized for this fall!
