Join WIN & Win Today!

WIN—Women INVOLVED is an Auxiliary of The Salvation Army Harrisburg Capital City Region to provide **networking with a purpose**, resources and volunteer assistance to support the programs and services of The Salvation Army Harrisburg. Community volunteers serve as officers of WIN, guiding the activities of the group in accordance with the policies of The Salvation Army. WIN members and guests enjoy monthly lunch meetings, while also discussing new and prospective activities and opportunities to benefit the local community through The Salvation Army. Members are asked to provide annual dues of \$15. Benefits of membership include:

-  Monthly luncheons
-  Opportunity to serve on various WIN committees (such as Shoe Strut!) and leadership positions
-  Vote on how WIN funds are used. According to Salvation Army policy, all funds raised by WIN through special events, etc. are distributed to The Salvation Army upon recommendation and approval by WIN members.

The purpose of **WIN-Women Involved** is to engage local women in service opportunities, special projects, and networking events that benefit the programs and services of The Salvation Army Harrisburg.

Because of the **WIN-Women Involved** group of members who generously give time, talent and treasure on behalf of the disadvantaged in our community, The Salvation Army Harrisburg is able to help so many more families, children and shut-ins year after year.

How can you 'WIN'?

The goal is that each member of **WIN** (and their friends!) will work together to share time, talents and resources to help the community. In return, **WIN** members will receive life-changing experiences that bring joy and satisfaction straight to the heart. Plus, we have FUN! We would like everyone involved to feel that they are in a "**WIN-WIN**" situation!

We understand that it can be difficult to fit another activity into a busy schedule. However, numerous events and opportunities are provided that work around every kind of schedule, and each member decides her level of involvement and participation.
