

# Matching Adoption

From inquiry to match. This session offers a clear overview of the matching adoption process, helping you understand each step and feel prepared for what comes next. You'll learn how you'll be supported along the way and begin to better understand the children waiting for families.

*This training is required for all TSACS matching adoption families.*

May 7, 2026  
6pm to 8pm

*Register through extendedReach (eR) or email [angie.gillen@use.salvationarmy.org](mailto:angie.gillen@use.salvationarmy.org).*
