Family of Cadets:

**Mon, 8 May:** Distribution of Cadet tickets begins. Each Cadet receives 10 reserved-seating tickets for family members. Cadets are responsible for disseminating these tickets to their family members.

- **Additional Ticket Requests (Above 10 tickets per Cadet):** Additional tickets will be available to family members on the below dates and times. These tickets will be general-public seating and will NOT be seated together with the 10 reserved tickets each Cadet receives. Cadets may also request additional general public tickets through USCC prior to 18 May.

  - **Tuesday, 23 May - Friday, 26 MAY (0900-1800) 9am-6pm (Visitor Center):** Additional tickets will be available at the Visitor Center during these times. Please only take the number of additional tickets your guests will use, as this allows for more accurate forecasting of Graduation Day parking and shuttle bus needs.

- **Americans with Disabilities Act (ADA) ticket request:** Each Cadet has been asked to provide the number of ADA guests they will have in attendance for the Graduation Ceremony. This information has been requested in order to accommodate people with disabilities (specifically those who utilize a wheelchair) and provide the best possible viewing location (limited indoor space at Michie Stadium). These individuals, as well as one (1) accompanying guest, will receive a ticket specific to the alternate viewing location — totaling two (2) tickets per guest requiring accessible viewing accommodations. The last day for Cadets to submit the request for ADA accommodations is 19 May.

- **Wristbands (Indoor Graduation):** Each Cadet will receive three (3) wristbands at the same time they receive their 10 reserved seating tickets. These wristbands are provided to the Cadets in the event the Graduation Ceremony is moved indoors (Ike Hall). The indoor event is limited to three (3) guest per Cadet. The Cadet is responsible for determining which of their guests will receive their allotted wristbands.
