The CISO reports to the USMA Chief Information Officer/G6.

CISO Responsibilities:
• Advise USMA leadership on all cyber issues and set the USMA cyber strategy.
• Ensure ATO compliance at an appropriate risk level for a .EDU environment.
• Outline the goals for the IT program security and cyber system lifecycle management of the USMA IT enclave as well as its applications and systems.
• Defend and protect the development, deployment, and integration of all technological services and subordinate branches.
• Lead cyber incident response initiatives and teams.
• Manage day-to-day, short-term, and long-term cyber policy and operations.
• Plan and manage annual and long-term resource allocation ISO cyber operations.
• Provide training and mentoring for the CIO Directorate, CTO Branches, USMA IT workforce, and WREN users.
• Maintain professional currency, both academically and militarily, following appointment, to include a minimal teaching load.

CISO Requirements:
• Ph.D. or equivalent complete in a technical discipline.
• Advanced technological skill set and a demonstrated history with enterprise cyber security programs.
• Garner a CISSP or equivalent IAM III certification within 6 months of assuming the position.
• Experience working and managing in technical fields.
• Exceptional leadership and management skills.
• Excellent verbal and written communication.
• Ability to delegate efficiently.
