West Point Admissions and the New Jersey Field Force
Presents - The West Point Experience

Dear Candidate to West Point,

On March 2nd at 7:00 PM, the West Point Field Force and West Point Admissions will present a briefing on the benefits of an education from West Point that you will not receive from an Ivy League/Top Tier University. Your parents are welcome to attend too!

The briefing will be virtual. The meeting link is below.

The West Point experience is focused around the four pillars of CHARACTER DEVELOPMENT not available at any other College or University. Character, Academic, Physical and Military. At West Point, you will learn and incorporate the ideals of loyalty, respect, integrity, courage, and honor in your daily life. You will learn failure can make you stronger. Going outside your comfort zone helps you grow. Character is relevant. Grit makes the difference in success in life and never, ever quit!

Academically, you will learn to communicate effectively and think critically and creatively. You will hear about the many all-expense paid internship programs available at West Point. Would you like to spend 3 weeks working in Washington at the National Security Council? How about 3 weeks in England studying Shakespeare? Maybe 3 weeks at Oxford University?

Participation in one of the 130 Cadet Clubs including Academic, Sports, Hobby, Military, Religious and Support Clubs?

Did you know that many graduates receive all-expense paid graduate school right after graduation? Find out how West Point graduates compete for and receive Rhodes, Marshall, Hertz, Olmsted, Mitchell, Truman and Fulbright Scholarships after graduation! New Jersey cadets from the Classes of 2022 and 2023 won Rhodes Scholarships!

Learn about the $27 million allocated for cadet research supported by the 26 research centers located at West Point.

Also find out where your career will be in 10-15 years after graduation and the benefits not found in civilian life.

West Point is not for everyone but if this culture and these opportunities appeal to you take the chance on a once in a lifetime opportunity! See how to make your file more competitive for admissions!!!

We look forward to meeting you! This decision can change your life and maybe the world!
