TRANSFORMING THE CITY WE LOVE, ONE PLATE AT A TIME

Chef Jim Noble

Join us as restaurateur and The King's Kitchen founder Jim Noble shares how he has answered God's call to serve.

Twelve years before opening the doors of The King's Kitchen, Chef Jim and his wife Karen were awakened to a calling from God. Rather than open another restaurant to simply feed the body, the Nobles were called to start a ministry that would nourish the soul.

The King's Kitchen works in partnership with Charlotte Mecklenburg Dream Center to raise funds to feed the spiritual and physical needs of those who have the least in our community and to train and equip those previously unemployable in the restaurant trade.
