 **Les Mills SPRINT™** is a 30-minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It's a short, intense style of training where the thrill and motivation comes from pushing your physical and mental limits. A high intensity, low impact workout, it's scientifically proven to return rapid results.

 **XTREME HIP HOP:** Combine step-aerobics with dance moves in this high-energy fitness class. The instructor will coach basic steps and build the workout from there.

 **ZUMBA:** ZUMBA® is a fusion of Latin and International music & dance themes that create a dynamic, exciting workout. Come join the party and dance your cares away!

 **AQUA ZUMBA:** Aqua Zumba® blends the Zumba® philosophy with water resistance, for one pool party you shouldn't miss! There is less impact on your joints during an Aqua Zumba® class so you can really let loose. Water creates natural resistance, which means every step is more challenging and helps tone your muscles.

 **WATER AEROBICS:** Improve core strength, tone, flexibility, mobility, balance, and strength using water weights, aqua belts, and noodles. Effective for various physical limitations. (May use deep end of the pool for portions of the class.)

 **Les Mills BODYPUMP™:** The original barbell workout for anyone looking to get lean, toned and fit - fast. Instructors will coach you through the scientifically proven moves and techniques pumping out encouragement, motivation and great music – helping you achieve much more than on your own!

 **Les Mills CORE™** provides the vital ingredient for a stronger body. A stronger core makes you better at all things you do – it's the glue that holds everything together. 30-minute class utilizing body weight exercises, resistance bands, and weight plates.

 **Les Mills GRIT Strength™:** is a 30-minute high-intensity interval training (HIIT) workout, designed to improve strength and build lean muscle. Pre-registration required.

 **BOOT CAMP:** is designed for personalized & informative support geared toward building a sense of camaraderie, character, and individual health & wellness. Become more comfortable with dynamic stretching, weightlifting, plyometrics, and even martial arts.

 **Les Mills BODYPUMP HEAVY™:** is tempo-based weightlifting that switches on your metabolic engine to build lean muscle like nothing else. Drawing on traditional lifting techniques, each class challenges strength, builds lean muscle, and drives measurable performance gains. It's simple to do and the slow tempo with lots of recovery periods allows for expert coaching, so you master form and technique.

 **PRIME STRENGTH:** A medium-intensity, 50-minute workout designed to build stability, balance and strength, as well as improvements in flexibility and range of motion. Learn the fundamentals of training including proper postural alignment, breathwork, and overall performance. A mix of light cardio, weights, resistance, and body weight exercises, this class allows beginners to more seasoned exercisers an opportunity to work towards optimal health and well-being.

 **Les Mills SHAPES™ :** is a fusion of Pilates, Barre, and Power Yoga, offering a transformative series of six low-impact strength workouts. Through precision, controlled movements, and repetition, Shapes sculpts and fortifies every inch of your body. Uniquely designed to provide a challenging yet low-impact workout, Shapes is the perfect addition to your fitness routine. This high-intensity program contributes to overall balance and stability, complementing and supporting other workouts such as heavy strength training and high-impact activities.

 **SILVER SNEAKERS:** SilverSneakers Classic is an industry-leading fitness program for older adults. It includes light cardio, weight training, balance, and stretching. Exercises can be done seated or standing.

 **SILVER SNEAKERS YOGA:** SilverSneakers Yoga will move your whole body through a series of seated and standing poses. Chair support is offered to safely perform seated & standing postures that increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.
