I understand that the Salvation Army depends on charitable contributions to subsidize its programs and to provide Financial Assistance funds. Therefore, I will inform The Salvation Army if my financial situation improves and do everything I can to pay the regular fee based on my income.

I understand that failure to report a significant change in my financial position would constitute fraud and could result in the termination of my child from the program listed below. I understand that if the Financial Assistance is granted it will be reviewed as needed and the Financial Assistance rate can be adjusted and/or can be done away with at any time for review. **I also understand that I must provide a copy of proof of income before my financial assistance can be processed.**

I understand that financial assistance is granted on a first come first served basis, and by submitting my application does not approval of my application.
