Celebrating 125 Years in Memphis

Celebrating 125 Years in Memphis

In honor of the 125th year anniversary of The Salvation Army's work in Memphis, the 2025 Christmas Card reflects on the Christmas Season of the Salvation Army as told by artist Steve Nelson, the Women's Auxiliary Christmas Card project's very first artist.

The Christmas Card project is a special yearly project and fund raiser of The Greater Memphis Salvation Army Women's Auxiliary. Proceeds from the sell of the Christmas Cards help support the work of The Salvation Army in the Greater Memphis Community. Help support us by sending a special card this Christmas to honor your friends, family, associates and/or clients.
