The Salvation Army employees can access confidential information about its members. Each member's information will be treated as confidential in accordance with applicable law. TRANSPORTATION, DROP OFF & PICK-UP

TRANSPORTATION (AFTER-SCHOOL PICK-UPS / FIELD TRIP TRANSPORTATION)

Kerrville Kroc Academy use vehicles or contracted transportation services for field trips and after-school transportation. Parents will be notified of activities away from the center. Only qualified and trained drivers are used.

Transportation is offered by participating sites from neighboring schools to the Center during the school session (see local information for details). School Transportation service is reserved by order of enrollment and availability. We require transportation permission on file for each child in our membership management system (Kids Traction Rec).

After-school transportation is only provided for select schools in local areas. Please review all transportation rules with your child. Breaking transportation rules can lead to suspension from service. Please instruct your child to be at the designated area for after school transportation. If a child refuses to ride or is absent at pick-up, they will be left at the school. The transportation WILL NOT return for members not at the pick-up area before departure.

Please notify the center leadership immediately if your child will not be picked up. The Center reserves the right to remove a member from the transportation service. Parents will be given written notice if transportation services are suspended so that alternate transportation arrangements can be made.

TRANSPORTATION RULES AND EXPECTATIONS:

- Backpacks should be taken off before sitting in a seat
- Members must walk to and from the vehicle
- Members must keep all hands and legs to themselves and out of the aisles
- Always remain seated; do not stand up until the driver dismisses you
- Use indoor voices when on transportation; foul language will not be tolerated
- Eating and drinking are not permitted in vehicles
- Crawling under/over transportation seats for any reason is dangerous and prohibited
- Parents will be responsible for all costs of repairs and damages that may occur

Consequences for violation of stated transportation policies:

1st offense: Verbal Warning – incident report sent to Parents/Guardians for signature

2nd offense: Discipline Referral with Consequence

3rd offense: (1) day suspension from transportation

4th offense: (3) day suspension from transportation

5th offense: Permanent removal from transportation

The following situations will result in automatic suspension from transportation to Kerrville Kroc Academy:

- Physical threat or harm to other members and drivers
- Fighting, smoking, drugs, or inappropriate touching while in the vehicle
- Damage to property
- Consistent disobedience
- Bullying

Members participating in the transportation program must ride the transportation consistently to maintain their spot on the roster. Parents of any member not meeting the transportation minimum will be notified, and an assessment will be made to determine whether to cancel transportation.

MEMBER DROP OFF PROCEDURES (ARRIVAL) / MEMBERSHIP TRACKING

On holidays, during summer, or when no transportation is provided from schools, parents/guardians must escort their children into the building and sign them in using the Traction Rec system. During the after-school program, youth will sign into Traction Rec upon arrival at the center or on the vehicle. Signing in is extremely important in case of an emergency.

MEMBER PICK-UP

All Parents/Guardians must sign out their children during pickup.

TRANSPORTATION, DROP OFF & PICK-UP (CONTINUED)

SAFE PASSAGE GUIDELINE

Parents or guardians must provide permission for members aged 13 or older to leave the Youth Center without the presence of a parent, guardian, or other authorized adult. Members under the age of 13 are not allowed to leave the Youth Center without being escorted by a parent, guardian, or other authorized adult unless being escorted by a member of the same household. The Open Door & Safe Passage permission form is attached to your application and will be reviewed with you during your parent orientation. The permission form provides greater detail about the guidelines than this parent handbook. However, four main are summarized here:

1. The guideline is only for members 13 or older and their siblings.
2. Signed parental permission must be given, and if siblings are included, they must be listed by name on the permission form.
3. Once youth leave the Center, they are not to return unless necessary for safety reasons.
4. Not all centers participate in Open Door & Safe Passage. Check with your center for more information.

LATE PICK-UP

Members must be picked up by the designated closing time. The Salvation Army operating hours are outlined on its calendar and include variations for school holidays, early release days, summer programs, and other events.

If a member is not picked up by closing time, the following consequences will apply:

- **Late Fee:** A fee of \$1 will be charged for every minute past closing time
- **Notification of Authorities:** If a member is not picked up within 30 minutes of closing, and no notification is received despite staff's efforts to contact listed individuals, local authorities will be notified
- **Return Policy:** Members will not be permitted to return to the Center until all late fees are paid in full.

Membership services can be terminated without a refund if the child is picked up late on multiple occasions, regardless of the reason.

PROCEDURES FOR MEMBER PICK-UP

A parent, guardian, or authorized adult must come into the building to pick up their member(s) and sign them out of the Youth Center using the Traction Rec system. Only authorized persons can pick up a member as designated in the Pick-Up Authorization Form. For safety reasons, calls from parents or guardians are inadequate for dismissal. Authorized persons must be 18 or older and provide a government-issued photo ID card for a member to be released to them.

Staff will not accept phone calls from parents or guardians requesting that an unidentified contact escort a member out of the Center. Phone calls, emails, texts, and faxes requesting a change in authorization will also not be accepted. All changes and additions to the Emergency/Alternate Pick-up form must be made in the Traction Rec system.

The Salvation Army may refuse to allow child(ren) to be transported home by anyone (including a parent) that they feel may be impaired due to drugs, alcohol, or other circumstances. This is for safety reasons only, and will contact another authorized individual included in the application to pick up the child(ren).

EMERGENCY PREPAREDNESS & STAFF TRAINING

EMERGENCY PREPAREDNESS

In an emergency, The Salvation Army will use discretion to contact 911 and then call parents to pick-up their child. If a parent cannot be reached, an emergency authorized contact in Traction Rec will be contacted for pick-up. If the parent is unavailable, the parent must arrange for their child to be picked up by an authorized alternate.

MANDATED REPORTING

The Salvation Army staff and volunteers are mandated by law to report suspected abuse, neglect, or exploitation of youth, and teens. Any employee or volunteer having reasonable cause to believe that a child has suffered abuse or neglect shall report the incident to State Agencies as soon as possible but no later than within 24 hours of the suspected violation. We will cooperate with confidentiality instructions from State Agencies and law enforcement without guaranteeing notification to families. Additional support will be provided through our crisis intervention by making referrals.

FIRST AID & EMERGENCY MEDICAL TREATMENT

Illness / Injury (Accident & Incident Reports)

No child will be allowed to remain at the Center if they are ill, have been sick and have not fully recovered, or if there is a reasonable assumption that they are sick. This includes any accidents that soil clothing (incontinence, vomiting, etc.). The parent/guardian (authorized person) will be notified immediately. The parent/guardian or authorized emergency contact must pick up the child immediately. Staff will administer minor first aid if necessary, and parents/guardians will be notified at signout. The Salvation Army or their designator will immediately call 911/Ambulance and contact parents/guardians for serious illness or injury.

The staff will document the illness/injury, including when the parent/guardian was contacted. Parents or authorized contacts must sign the incident/ accident report at pick-up. The Center may require a doctor's note before allowing the Member to return.

ALLERGIES

If a child has an allergy that can result in an allergic reaction, a doctor's note outlining the allergy and instructions for treatment is required. Parents must also provide written notification of any food or dietary restrictions (e.g., lactose intolerance, vegetarian diets, and wheat-free or gluten-free diets).

MEDICATION

Medication is not to be brought to the center with the exception of lifesaving medications, such as EpiPens or asthma inhalers, which a physician's statement must accompany. If your child has a specific medical condition, additional information may be required to ensure their safety and wellbeing at the center. The Prescription Authorization Form with written consent is necessary for staff to distribute or administer medication to members.

Once the center receives the prescription authorization form with the instructions, the staff will maintain a medical log in a secure area for notification and instructions.

PROCEDURES FOR EMERGENCIES

Please refer to the Local Emergency Preparedness Plan (EOP). Each Salvation Army has procedures for emergencies customized and published by local units. A family reunification site will be provided in case of an evacuation emergency.

Emergency Closings & Inclement Weather

The Traction Rec portal messaging will notify parents of emergency closings due to inclement weather or emergencies. Each Salvation Army site will try to be consistent with its School District and close if schools are closed.

Staff will attempt to reach parents to arrange pick-up should the Center need to close during operating hours. If they cannot do so, the persons listed on the emergency contact form will be called until pick-up arrangements can be made.

Examples of emergency closings include, but are not limited to, inclement weather, facility issues, safety concerns, and Disaster Services (due to disaster response in the community).

EMERGENCY DRILLS

The Salvation Army conduct monthly fire/emergency drills. Parents may not sign their children in or out of the Center during an emergency drill or actual emergency event. They must wait until the drill is complete or the Center's staff has been given the all-clear from emergency personnel to sign their child(ren) in or out.

STAFF QUALIFICATIONS & DEVELOPMENT

We recruit staff that have training and experience working with children. All staff must have a cleared background check, reference checks, and child safety training. FIELD TRIPS

Field Trips are an incentive for members who demonstrate good behavior. To be eligible for a field trip, members must be able to display and model acceptable behaviors regularly. If your child or children bring a cell phone to the Center, they are not allowed to use it while at the center. Please comply with this to avoid membership termination.

ADDITIONAL INFORMATION

SCHOOL INFORMATION

The Salvation Army will maintain all member files and records confidentially and securely. The Center may file a formal data request with your child's school district to better serve members. If approved, the Center will share the names of members who attend the program in that school district with the school district. This data request would grant access to members' existing academic data (e.g., grades, school attendance, or standardized testing results). The Salvation Army would use this data for three purposes: (a) to identify members' academic needs, (b) to evaluate the effectiveness of the Center's programming, and (c) to tailor programming and services to meet members' academic needs better.

Note: Files for all programs funded in whole or in part by Government Grants are available for monitoring and are subject to audit by the State or Federal Grant-Granting agency. Communicating member information to persons or agencies other than those listed above will require the written approval of the member's Guardian.

FAMILY INVOLVEMENT & RESOURCES

Parents are partners in our program. Please schedule time with Youth Center leadership to visit during operating hours and evening special family programs. Parents who would like to be considered for volunteer opportunities must apply and adhere to the procedures outlined in the volunteer section of the handbook.

PARENT FEEDBACK

Each center has a suggestion box at the front desk and annual parent surveys. Please contact your Youth Centers leader for a parent conference if you need individual time.

PARENT COMMUNICATION & POLICY CHANGES

We use Traction Rec Messaging to share important information, such as emergency and weather-related openings, closings, and special events. Please check with the Membership Coordinator for flyers, forms, announcements, policy changes, and updates.

PARENT ORIENTATION & HANDBOOK ACKNOWLEDGEMENT (COMPLETE IN TRACTION REC PARENT PORTAL)

The parent handbook is available on the Traction Rec Parent Portal, and a printed copy can be reviewed with the Salvation Army Manager. Each family is responsible for reading and understanding this information and accepting the guidelines in place, including, but not limited to, conduct and member participation.

To complete registration for participation in The Salvation Army, parents must acknowledge the Parent Handbook in the Traction Rec Parent Portal and attend the Parent Orientation.
