

2025 MusiCamp Dance Auditions

Dancers will audition in front of a panel of judges in groups of 2-3 people (at the same time). Each dancer is expected to have their choreography memorized. If this choreography is not memorized, you will be prompted to improvise a dance on the spot (not recommended).

When preparing, use the demonstration video as you practice. The great part about a video is you can slow down and rewind as many times as you like! Learn each section slowly and take note of how/when your body should be moving! Don't forget to be confident, smile, and most importantly, have fun!
