YOUTH DEVELOPMENT IN REACH

Our Youth Development Department ensures that learning happens outside the school walls as they offer various activities throughout the week to expose the youth to subjects that their school may avoid but are crucial to a bright future such as cooking, budgeting, and the word of Christ. The weekly scheduled activities include,

- Bible Study
- Film Fridays
- Arts & Crafts
- Green Thumbs

Youth are at a pivotal stage in their lives, brimming with energy and potential. At The Kroc, we recognize the importance of providing them with healthy and productive outlets. Our Sports and Recreation department has organized a series of activities for the fall semester aimed at helping our community's youth develop essential skills and values. These experiences are designed to foster proficiency and happiness, benefiting both the individuals and the communities they belong to. Activities include:

- Basketball • Dodgeball
- Pickleball • Volleyball
