

Corporate Direct Bill program streamlines reservations, payment, and tracking. *

What is Corporate Plus Direct Billing?

- Centralized online billing for qualified Corporate Plus clients.
- One weekly invoice for all stays (at one or multiple Motel 6/Studio 6 locations).
- Invoices payable Net30 by credit card, check or ACH.

How does it work?

- Reservations are made using a unique Corporate Plus Direct Bill (CPDB) code.
- The CPDB is an authorized payment source at all US locations.
- Reservations can be made online, through our Corporate Reservations Line, Corporate Groups Line, or through the GDS.
- A single weekly invoice is emailed with associated stays from the previous week.
- Payments can be made/scheduled directly through the portal or by company check.
- Invoice or payment questions can be submitted through the portal.

What are the benefits?

- Eliminate credit card authorizations.
- Credit card not required at check-in.
- Complete payment and transaction history available online 24/7.
- Direct billing is ideal for driver, crew, group, recurring and extended stay reservations.

What if I have more than one office/region and need to track separately?

- Multiple direct bill accounts can be set up to simplify tracking and payment.

How do I apply?

- Request an application from your National Sales Manager.
- Applications take 7-10 days for processing.
- If approved, a unique CPDB code will be assigned and provided.

**Application required.*
