Dress Code

Youth should dress comfortably and wear clothes that allow them to participate in typical Club activities and programs.

- Backpacks may not be carried around inside the Club unless going to the Learning Center Areas.
- To participate safely in activities, we encourage, and require some instances, wearing tennis shoes and socks.
- Revealing clothing cannot be worn at the Club. Shorts must be worn underneath skirts/dresses.
- Shorts and skirt hems should touch your fingertips when your arms are relaxed at your side.
- Youth must not wear any shoe or sandal that does not have a closed or secured heel. Flip flops are to be used only at swimming pools and/or water parks. Also, if crocs are worn, they must be worn in sports mode.
- Refrain from wearing any clothing that contain derogatory words, pictures, images, signs, symbols, or innuendo references to drugs, alcohol, sex, gangs or gang related activities, guns, foul language, or racist/sexist terms.
- Girls must wear one-piece/tankini bathing suits or ones approved by our Staff for any swimming activities.

Any failure to adhere to the dress code policy will result in a parent being called to arrange the proper clothes to be brought to their child for changing. If proper clothing is not brought, a child may be held out of Club activities and/or sent home for the day. The child will not be allowed to return to the Club if wearing clothes that violate our dress code policy.

Property Maintenance & Responsibility

Teaching respect for other's property is a virtue taught. Therefore all club members may be asked to assist daily in the cleaning and maintenance of club property: Classroom, gym, activity spaces, bathrooms, vehicles, and outside areas. Destruction of club property will have an automatic suspension until the item is replaced or payments are arranged to replace the item. Members must use caution with any personal valuables while at our Club. (i.e. ipads, phones, etc.). We recommend they be left at home and may ban such things at any time depending on a youth's behavior in using them. They are not to pass such items around to their friends to use without the permission of a Club staff. Our Club staff are not responsible for any lost, broken, or stolen valuables that are brought to our club.

Disciplinary Actions & Consequences

Minor misbehavior is handled with disciplinary actions depending on the situation. All discipline issues will be handled on an individual basis. Any member who disrupts programs or creates a dangerous situation will be given consequences for their actions. Members who do not follow rules can expect to lose privileges and face consequences.

Disciplinary actions may include, but are not limited to, the following:

- Verbal coaching/re-teaching behavior
- Time-out or Suspension from program area
- Loss of Club privilege
- A writing consequence
- Club service projects
- Suspension (one day or more)
- Indefinite suspension (until the situation can be resolved or the parent/guardian is consulted)
- Expulsion (i.e. permanent suspension – membership revoked)
- Contacting the proper authorities

Children with Special Requirements

To make sure your child is safe and has positive, meaningful and engaging opportunities while at our Club, our staff member to child ratio is 1 to 18 or less. Keeping that ratio in mind, if your child needs assistance with personal cares, has physical restrictions, or if there are behavioral concerns that would require your child to have a personal assistant, it is the responsibility of your family to provide that one-on-one assistant while your child is participating at the Club. These personal assistance persons must also complete a Salvation Army a background check and our Safe From Harm Training.

PBIS - Positive Behavioral Interventions and Solutions

Currently our Club members are being taught, assessed and rewarded when demonstrating acts of being safe, respectful, kind and responsible. These four qualities, while being taught on a daily basis, are our expectations for behavior while your child is at the Club.

Acceptable Use of Internet and Other Electronic Resources

The Salvation Army recognizes the value of computer and other electronic resources to improve learning and enhance the administration and operation of its programs. To this end, the Divisional Finance Board encourages the responsible use of computers; computer networks, including the Internet; and other electronic resources in support of the mission and goals of The Salvation Army. Because the Internet is an unregulated, worldwide vehicle for communication, information available to individuals is impossible to control. Therefore, the Divisional Finance Board adopts this policy governing the voluntary use of electronic resources and the Internet in order to provide guidance to individuals and groups obtaining access to these resources on The Salvation Army-owned equipment or through The Salvation Army-affiliated organizations.

The Salvation Army Rights and Responsibilities

It is the policy of The Salvation Army to maintain an environment that promotes ethical and responsible conduct in all online network activities by individuals. It shall be a violation of this policy for any individual to engage in any activity that does not conform to the established purpose and general rules and policies of the network. Within this general policy, The Salvation Army recognizes its legal and moral obligation to protect the well-being of individuals in its charge. To this end, The Salvation Army retains the following rights and recognizes the following obligations:

1. To log network use and to monitor fileserver space utilization by users, and assume no responsibility or liability for files deleted due to violation of fileserver space allotments.
2. To remove a user account on the network.
3. To monitor the use of online activities. This may include real-time monitoring of network activity and/or maintaining a log of Internet activity for later review.
4. To provide internal and external controls as appropriate and feasible. The Salvation Army reserves the right to restrict online destinations through software or other means.
5. To provide guidelines and make reasonable efforts to train staff and computer users in acceptable use and policies governing online communications.

Staff Responsibilities

1. Staff members who supervise users, control electronic equipment, or otherwise have occasion to observe user use of said equipment online shall make reasonable efforts to monitor the use of this equipment to assure that it conforms to the mission and goals of The Salvation Army.

User Responsibilities

Use of the electronic media provided by The Salvation Army is a privilege that offers a wealth of information and resources for research. Where it is available, this resource is offered to individuals at no cost. In order to maintain the privilege, users agree to learn and comply with all of the provisions of this policy.

Acceptable Use

2. Proper codes of conduct in electronic communication must be used. In news groups, giving out personal information is inappropriate. When using e-mail, extreme caution must always be taken in revealing any information of a personal nature.
3. Network accounts are to be used only by the authorized owner of the account for the authorized purpose.
4. All communications and information accessible via the network should be assumed to be private property.
5. Subscriptions to mailing lists and bulletin boards must be reported to the system administrator. Prior approval for such subscriptions is required for all users.
6. Mailing list subscriptions will be monitored and maintained, and files will be deleted from the personal mail directories to avoid excessive use of fileserver hard-disk space.
7. Exhibit exemplary behavior on the network as a representative of The Salvation Army and your community. Be polite!

6. No use of the network shall serve to disrupt the use of the network by others. Hardware and/or software shall not be destroyed, modified, or abused in any way.
7. Malicious use of the network to develop programs that harass other users or infiltrate a computer or computing system and/or damage the software components of a computer or computing system is prohibited.
8. Hate mail, chain letters, harassment, discriminatory remarks, and other antisocial behaviors are prohibited on the network.
9. The unauthorized installation of any software, including shareware and freeware, for use on The Salvation Army computers is prohibited.

Parent and Member BYOD Policy

There will be select program times during the Summer Camp where our club members will be allowed to bring and use a personally owned electronic device from home. For this reason, The Salvation Army Boys & Girls Clubs have adopted a Bring Your Own Device (BYOD) Policy. This policy allows members to bring their laptops, tablets and/or smartphones to the Club for educational use in our facilities. However, members are NOT required to bring their personal technology to the Club. All members will be able to continue to use our Club technology equipment, and no member will be left out of a program if they do not have a personal device. If you would like your child to use a personally owned electronic device within The Salvation Army Boys & Girls Club, please read, sign and submit this agreement to Club staff as a part of your child's member application.

1. In order to use the Boys & Girls Club Bring Your Own Device (BYOD) services (including the wireless network), members and parents must review and sign the BYOD Acceptable Use Policy. This is considered a legally binding agreement.
2. Members will take full responsibility for their devices and keep them with them at all times, unless specifically instructed by staff otherwise. Members may not lend their devices to anyone. The Club is not responsible for the security of the devices or loss/damage/theft of a personally owned device.
3. Members are responsible for the proper care of their personal devices, including any costs of repair, replacement or any modifications needed to use them at the Club.
4. Members should only use their devices to access services, networks or files relevant to Club-sanctioned or approved programs. Members should only use the features of their devices, including, but not limited to, taking or transmitting pictures, videos, location information or other features in accordance with approved programs.
5. Members may not use their devices to record, transmit or post pictures, videos, or other information of or about a person or persons at the Club. Nor can any images, videos, or other information recorded at the Club be transmitted or posted at any time without the express permission of Club staff. Members are NOT allowed to take out their personal devices in private areas such as bathrooms/changing rooms for ANY reason.
6. Members must use the Club's secured wireless network. Use of cellular (e.g., 3G, 4G, 5G) wireless connections is not allowed.
7. The Club reserves the right to inspect a member's personal device. Parents/Guardians will be notified and allowed to be present before any such inspection takes place. Parents/Guardians are free to refuse to allow Club staff to inspect a device; however, that member may be barred from bringing personally owned devices to the Club in the future. This decision will be at the Club's discretion.
8. Members must only use their personal devices at the specific program times designated by the Club staff. Members must also comply with staff requests to shut down, turn off, or put away devices when asked. Failure to do so may result in consequences for the Club member, such as activity suspensions and/or other consequences as defined in the "Discipline Procedures" section of our parent manual. Failure to comply may also result in the child being barred from bringing personal devices in the future.
9. Violations of any Club policies, administrative procedures or Club rules involving a member's personally owned device may result in the loss of use of the device at the Club and/or disciplinary action.

In such cases, a staff member will use a handheld no-touch infrared forehead thermometer to take a child's temperature to verify their child is not running a fever. Children who have a fever of 100.4 F (38.00C) or above or show other signs of illness including, but not limited to shortness of breath, rapid breathing or difficulty breathing (without recent physical activity), cough, flushed cheeks, fatigue, or extreme unusual fussiness will not be admitted into the facility around other children and must be picked up immediately. For all children with a fever of 100.4 F (38.00C), or who show flu-like symptoms as mentioned above, we ask that they be tested for Covid19 or at least provide a doctor's note to our staff verifying the cause of the illness and that they are now cleared to return. They also must have shown a reduction in symptoms and must have been fever-free without fever reducing medication for at least 24 consecutive hours in order to return. If a club member begins showing COVID-19 symptoms after being dropped off or at any other point while participating in our program, the club member will calmly be taken to a separate program space away from his/her peers and we will call the parent/guardian for immediate pick-up.

2) Health Diagnosis Transparency- Although we respect the privacy of your family's medical health, we ask all parents/guardians to be promptly transparent with us in the case that your child has been tested and was found to have contracted COVID-19. This transparency is important in order to safely protect the health and well-being of the rest of our members, club families, and staff/volunteers. We will not disclose names and identities of any individuals that we discover has COVID-19, but we will use this information to take any necessary steps we can to slow any possible spread and potentially save lives.

3) Positive COVID-19 Diagnosis- - If we discover that a club member has tested positive for COVID-19, we will move quickly to take every necessary step to protect the health and well-being of the rest of our members, their families, and our staff and volunteers. Such potential steps include, but are not limited to: contact tracing, contacting parents/guardians as a precautionary measure to look out for infection symptoms, and the quarantining of other members deemed to be at risk based on their level of exposure.

Any child testing positive, even if showing no symptoms, must quarantine for 5 consecutive days from the day he or she started showing symptoms. Before returning, they must also show a reduction in symptoms and have been fever-free for at least 24 consecutive hours without a fever reducing medication. Any children testing positive may return after the 5 day quarantine only if they are able to be disciplined at our Club in wearing a mask for at least 5 more days, else a full 10 day quarantine will be required for the child.

Any sibling, or close contact, sharing the same household is no longer required to quarantine unless they are also showing symptoms of Covid19. However they will be required to wear a mask for at least 10 days from the day of their last exposure. We also HIGHLY recommend they get tested after 5 days from the date of last exposure.

*Please note that our Covid19 policies are based on the guidance we receive from our local health department or CDC guidelines, and thus are subject to change as updated guidance is made available.

4) Drop off, Sign-Out- To limit the traffic of people entering our facility, parents/guardians will be asked to stop in the lobby area to drop off their child each morning and to sign them out in the afternoons. Parents/guardians are not to enter the classroom, gym, bathrooms, etc. without consent from our staff. In the case that there is an arrival and an excessive build-up of parents/guardians ready to drop off or sign out their child, we ask that they respectfully wait in line outside the facility or in their respective vehicles until there the parent/guardian in front of them has finished dropping off or picking up their child.

5) Social Distancing/Masks- Per guidelines set from the local health department, we will not at this time be requiring social distancing or mask wearing from our club members. This is subject to change if CDC or local health department officials advise a new guideline.

6) Club Sanitation & Pick Up- One key step in our Covid19 protection efforts is a thorough cleaning and sanitation of our facility each day. In order to help ensure that our staff has the appropriate time to safely clean in the evenings, we ask that all parents/guardians pick up their child **at least 10-15 minutes before the closing time of 5:30pm. Any parent who arrives after 5:35pm will automatically be charged a \$5.00 per minute per child late fee. Habitual lateness may result in your child being dropped from the program.**

7) Payments- At this time, we are requiring that all Summer Camp payments to be made with credit/debit cards. The only exception to this rule are any field trip or special activity monies, which are needed in cash ahead of time in order to pay for your child's activities for each trip site. Any parent/guardian not able to meet these payment guidelines should speak to Unit Director Stacie Lowery to resolve any possible issues before enrollment.

8) Additional Family Assistance- Any club parent/guardian/family that needs food and/or help with rent or utility assistance, please call and speak to our S. A. Social Services worker at 336-472-7800 ext. 2.
