GIVE OF YOURSELVES

## WHAT IS ANGEL TREE?

Angel Tree is a unique holiday assistance program that connects an individual sponsor or a group sponsor with a deserving child “Angel” in need. Every Christmas, there are children who would not receive gifts because their families are struggling financially and cannot afford the expense. The Salvation Army’s Angel Tree Program has been running for 47 years to ensure that these children have a wonderful Christmas season with their families. We are one of the largest in-kind corporate giving programs in the DMV.

“As a firm, we have been participating in the Angel Tree Program for the past 5 years. For me personally, the mission immediately resonated with me, being able to help bring joy and hope to children and families in need is something I feel passionate about. I’m so grateful to work at a company who shares that sentiment and supports our efforts each year. Contributing to this program is a meaningful way to give back and help ensure that every child feels seen, valued, and celebrated during the holidays.”
