**A Message From Captain Alan & Major Kim Grimes**

On this cold and icy January afternoon, we take a moment to reflect on the goodness of God and the kindness of our community during the past Christmas season. This was our fourth Christmas in Waynesboro, and so we are settling in and getting accustomed to how things work here. And let us tell you that it only works because of the genuine, heartfelt love, generosity, and support from the people of Waynesboro and East Augusta County. We were once again overwhelmed by the community's efforts to ensure that those in need of a helping hand received a most joyous Christmas. To everyone who adopted an angel, donated a toy, bike, clothing, coat, blanket, or other gift, filled a stocking, rang the bell, supported our programs through a monetary gift, volunteered at the distribution center, or helped in any other way...THANK YOU...thank you from the bottom of our hearts. The Salvation Army is only as strong as the community standing behind it, and what a wonderful community we have. We thank God for each of you and the strength you give to make our programs and services possible. May God bless you all.
