

# SNACK PACK PROGRAM

Each day students across Mecklenburg and Union County step into a Boys & Girls Club location to participate in character building programs, receive assistance with homework assignments, and interact with fellow students in a safe learning environment.

Companies, civic groups, and churches can engage volunteers and employees by purchasing snack pack items in bulk and plan a group assembly opportunity, or provide items to volunteers to assemble individually.

Snack Pack items can be purchased at Walmart, Amazon, or other grocery store locations. On the next page is an example of snack items that can be included. The listed items are just an examples and can be adjusted as needed. **Snack items with peanuts or nuts should not be included.**

Once assembly is complete, please contact a drop off location to schedule a time to drop off the donated items.

**Don't forget to let us know about your donation through through the in-kind donation form!**

Please email Sarah.Gamble@uss.salvationarmy.org with any questions.

# How does it work?

1. Decide how large of a project you would like to complete.

How many and snack packs you would like to make during your engagement event? Think about quality over quantity during your event. Instead of making snack packs quickly, volunteers should take their time and focus on meaningful messages of encouragement to Club members. See attached list for message ideas.

2. Secure the donations. See a sample listing of suggested snack pack items on the next page. Don't forget the brown paper bags, or ziploc bags and note cards if you plan on writing a word of encouragement to the Club members.

3. Notify your team members and group of you event date.

4. Contact The Salvation Army Boys & Girls Clubs to let us know how many you plan on providing and which locations and date of drop off.  
Sarah.Gamble@uss.salvationarmy.org

5. Host your event, take pictures and tag The Salvation Army Boys & Girls Clubs of Greater Charlotte.

# Suggested Snack Items

Pick 3-5 items.

If including apple sauce or pudding cups, please include a napkin and utensils.

# Example Messages

You are capable of achieving anything you set your mind to.

Be kind to yourself and others.

Every challenge is an opportunity to become stronger.

Believe in yourself and your ability to succeed.

Try to be your best self, not just in school, but in all areas of your life.

Never give up trying. If you make mistakes, it's okay because we all do.

Making mistakes is a great way to learn.

Follow your dreams regardless of if they seem to be distant. Do your best, and you will reach them. Just wait and see.

Remember that you can do anything you want. You are smart, and I know you will have a great future.

Have faith in yourself because I have faith in you. Good luck to you.

You can do anything if you believe in yourself and your abilities.
