

Keep employees and guests safe this winter.

Approximately 20% of slips and falls that happen in icy parking lots result in employee absences, and a visitor who slips outside your door could result in legal consequences.

Stock up on ice melt solutions now and be ready when the cold weather hits. We have the right products to help keep everyone safe this winter. Need a large quantity? Pallet quantities are available or reach out to your Staples Rep for assistance.

Shop our entire selection of ice melt options at [StaplesAdvantage.com](https://www.staplesadvantage.com).

Let's connect — contact your Staples Business Advantage Account Manager, Jared Culhane, at Jared.Culhane@staples.com to talk about ice melt and winter prep solutions for your organization.

Prepare your business for winter.

The below ice melt products are offered through your Staples Business Advantage program. Items are available online, including the pallet quantities below. * If you need only one pallet, please contact your Staples rep.
