TEAM COACH: The USTA Northern California Section will select and send three (3) team coaches and up to three (3) team managers to the event (one set for each team). The team coach may coach players at specific times during matches. Players' personal coaches and parents are **NOT** permitted to coach during this event.

PARENTS ATTENDING TOURNAMENT: Parents are welcome to attend, but the players **MUST** be with their team at all times and stay in the hotel and/or housing provided by the tournament. USTA NorCal would like to provide the players with an experience similar to an away college team match as much as possible. While parents may elect to attend the tournament, providing a Team Coach and/or Team Manager is intended to:

- Assist families in reducing the cost of additional travel arrangements;
- Create a true team atmosphere whereby players travel and stay together as a group (note that players are not required to stay in housing/hotel with a teammate but our experience has shown doing so helps to build team camaraderie). This also ensures players are having similar opportunities and rules;
- Reinforce personal coaches and parents are not permitted to coach during this tournament

TEAM WORKOUT: **ALL** players selected are expected to attend a **MANDATORY** team practice with the team coaches on **Saturday, July 22nd** at **UOP – Eve Zimmerman Tennis Center**. The approximately 3-hour team workout event will include no less than 2 hours of tennis and a meeting prior to or following tennis. There is no charge for the team workout.

This team workout will be held by the team coaches and USTA NorCal staff for the participants in the USTA Boys' and Girls' 16, 14, and 12 Zone Team Championships and the USTA Boys' and Girls' 18 National Team Championships. Attendance by the team coaches is mandatory. Attendance by the players is mandatory, unless clearance is given by USTA NorCal. Attendance by the team managers is optional.

The purpose of this workout is to:

- Build team spirit and camaraderie
- Introduce the coaches to the players and parents
- Allow for time to review policies and rules prior to arriving at the tournament, with the opportunity to ask questions
- Finalize the arrival logistics of the coaches, team managers (N/A), and players
- Secure parents to volunteer (w/ managers) to organize meals, to better allow the coaches to concentrate on coaching

TECHNICAL DIFFICULTIES: If you are having any issues or technical difficulties with the registration/online waivers, etc. email Beth Workeneh at workeneh@norcal.usta.com or call 510-263-0466.
