Welcome to the 2017 USTA Texas Tournament Schedule. This guide encompasses the complete schedule for the over 400 adult and junior events held throughout the state. Within our competitive system, we have something to offer for everyone and this book will serve as the guide to understanding and enjoying tennis throughout Texas. Additionally you can find the most updated tournament information at our website texas.usta.com.

As I stated in this guide last year, I encourage this to be a year of sportsmanship and integrity for all participants. Our sport is ever evolving and our efforts to respect, honor and grow this game must advance as well. In some respects tennis is at a crossroads and how we respond over the next few years will determine to what level our tournaments will grow and prosper. Let’s respond with respect, leadership and mutual accountability to one another.

We have the opportunity to enjoy the greatest game in the world. The beauty of tennis is in the ability to challenge ourselves both mentally and physically while providing that same opportunity for our opponents. That mutual connection is the essence of our sport. That we cannot grow without the participation of others.

I would also like to thank the countless tournament directors and volunteers who work to make our events in Texas as enjoyable as possible for all participants and their families. It is our goal to continue to innovate and improve our events across the state.

As always your questions, comments and observations on how we can enhance and improve your competitive experience are welcomed at vbarry@texas.usta.com. Your feedback is very important as we develop our future plans.

Our sincerest thanks for your continued support and being a part of the wonderful Texas Tennis Family.

What is 10 & Under Tennis?
The 10 and Under system places an emphasis on participation and promotes play in red ball, orange ball, and green ball events. This system is structured to keep young players in divisions long enough to develop tactically and technically. A young player who is technically advanced and physically competent will be able to progress through the levels in a reasonable time period.

8 & Under Red Ball Division
Matches will be played in accordance with all six Red Ball Tennis elements:

1. Court size: 36-foot court
2. Racquet length: no longer than 23 inches
3. Net Height: 2 feet, 9 inches
4. Ball: red low compression balls
5. Age: 8 & Under
6. Scoring: 2 out of 3, 7-point tiebreaks (first to win 7 points by a margin of 2).
Players shall change ends after each tiebreak.

10 & Under Orange Ball Division
a) Matches will be played in accordance with all six Orange Ball Tennis elements:
   1. Court size: 60-foot court
   2. Racquet length: no longer than 25 inches
   3. Net Height: 3 feet at center; 3 feet, 6 inches at net posts
   4. Ball: orange low compression balls
   5. Age: 7 to 10½
   6. Scoring: 2 out of 3, 4-game sets (first to win 4 games) using no-ad scoring; 7-point tiebreak in lieu of 3rd set (first to win 7 points by a margin of 2)
   b) A player may elect to move to the Green Ball Division prior to the last six months of age eligibility by earning a specified number of stars and/or trophies.
   c) During the last six months of age eligibility, a player must move to the Green Ball Division if the other criteria are not met as this is a critical transition step for young players.

10 & Under Green Ball Division
a. Matches will be played in accordance with all six Green Ball Tennis elements:
   1. Court size: 78-foot court
   2. Racquet length: no longer than 29 inches
   3. Net Height: 3 feet at center, 3 feet 6 inches at net posts
   4. Ball: green dot low compression balls
   5. Age: 7 to 11
   6. Scoring: 2 out of 3, 4-game sets (first to win 4 games) using no-ad scoring; 7-point tiebreak in lieu of 3rd set (first to win 7 points by a margin of 2)
   b. In order to move to 12s (Yellow Ball) prior to the month of 11th birthday, a player must earn a specified number of stars and/or trophies.

The Texas 10 and Under system integrates USTA rule changes for the 10 and Under Tennis initiative, emphasizes participation and experience, and focuses on the development of young tennis players. The Texas 12s-18s system requires qualification from the Challenger level to the Championship level and from the Championship level to the Super Championship level. The 10 and Under system remains consistent with this structure by requiring a level of qualification to advance from Orange Ball to Green Ball and from Green Ball to 12s Challengers or 12s Champs.

Tournament or Ranking Search:
To find tournaments, view draws, etc., for Adults, Seniors, or Super Seniors
• Start at: www.texas.usta.com
• Under “Adult Tennis;” select “Tournaments”
• On the next page, click on the “TOURNAMENTS” picture.
• Then the next page is the tournament search page; if wanted, select Sanctioning “All” tournaments button. In the pull-down tabs, under: National/Section/District, select “Texas;” (month, if wanted); “2017” Year; and the appropriate “Division” - like “Men's 50 Singles” or “NTRP Divisions.” Click the “SEARCH” button. That will lead to the link for that specific group of tournaments. The drop down month search will keep the selection criteria, so other months with the same criteria may be searched.
• Click on the tournament name to go to the tournament’s homepage.

To find Rankings for Adults, Seniors, or Super Seniors
• Start at: www.texas.usta.com
• Under “Adult Tennis;” select “Tournaments”
• On the next page, click on the “RANKINGS” picture.
• Then on the next page, the first search box (Rankings Search) under National/Section/District, select “Texas” - Year is “2017” (or other year); “Division” - scroll down until the division played is found. List Type is usually: “ *All List Types.”
  o Select the most recent list – Year to Date – or – 12 Month Rolling list (or another list).
  o Once you find the player’s name on the list, click on the name to see that Player Record.
  o There is also a place to change the order to “Name” order, for an alphabetical search.

Know the Rules
1. For a USTA Texas Ranking, a player must play in one USTA Texas Section Sanctioned tournament. To be on the Eligible List, the player must also be a USTA Texas Section resident.
2. Players receive points in the main draws and consolation draws (if the consolation draw is held and played). In the main draw, a player or team that advances by default will receive credit and points for a win. In consolation matches, the player or team that advances by a default will receive credit and points for a win, as long as that player or team does not default their next match. Players that receive points in the main draw for a default win will not receive consolation points for a default win over that same opponent. Byes do not earn points in either draw.
3. A player or team who plays a tournament but does not win any matches will receive one point for participation for that tournament.
4. In round robin matches, a player or team that plays a match or matches, but then defaults, that defaulted match will count as a loss for the defaulting player / team and as a win for the player / team that advanced. It is recorded with no score.
5. In a round robin draw, a player or team that defaults for any reason other than lateness shall not play in subsequent rounds and may not be declared the winner of the Round Robin. A player who is defaulted, retires, or creates a walkover shall finish lower than every player / team who has an identical match record.
6. If only two players or two teams enter an Adult, Senior or Super Senior division and that draw is played, the two players or teams will receive 1st and 2nd points for playing. [Counted in both 12 Month Rolling Rankings and in Year to Date Rankings.] This structure does not automatically apply to 3 or more players (3rd &/or 4th places, etc.).
Age division rules:

7. A player (in singles) or a team (in doubles) whose age division does not make, but plays the next younger age division that makes is entitled to have their points counted in their originally entered age division. If no younger age division makes, but plays in the Open division (if offered), they are also entitled to have their points counted in the originally entered age division [in Year to Date Rankings]. (Notification to the Texas Section Adult & Senior Ranking Coordinator is required. It is recommended that notification be done by e-mail at: NPerkins@texas.usta.com)

8. If only one player (in singles) or one team (in doubles) enters an age division, and plays in the next younger age division that makes (or the Open division if no younger age divisions make), then that player or team will receive 1st place points in that originally entered age division, no matter how they placed in the younger played division, even if they obtained no wins [counted in Year to Date Rankings]. (Notification to the Texas Section Adult & Senior Ranking Coordinator is required. It is recommended that notification be done by e-mail at: NPerkins@texas.usta.com).

9. If only two players (in singles) or two teams (in doubles) enter an age division and they are merged with a younger age division (or the Open division if no younger age divisions make) and plays in that division, 1st and 2nd place points will be awarded in the originally entered division (according to the order of finish of just the original age players in the younger played division). If those two players or teams placed equally in that played division, 1st and 2nd place points will be averaged so that each player or team will receive equal points in the originally entered division [in Year to Date Rankings]. This structure will include all who enter one age and are merged (and play) a younger age division. (Notification to the Texas Section Adult & Senior Ranking Coordinator is required. It is recommended that be done by e-mail at: NPerkins@texas.usta.com).

10. For these points in the originally entered age division, the player (in singles) or team (in doubles) must actually play a younger age (or Open) division to receive these points. Playing in a levels division, does not count as younger age division or Open division play.

11. One Category I National Tournament (i.e. Clay, Hard, Grass, and Indoor tournaments) may be counted in a player’s USTA Texas section record. They are counted as a 600 Point Tournament category. Also, one Out of Section Category II National Tournament may be counted in a player’s USTA Texas section record. They are counted as a 400 Point Tournament category. Only one Cat. I and one Cat. II may be counted. (Note: The “In Section” Cat. II tournaments - Westwood & Lakeway - do not count as one of these Cat. II Tournaments). [Credited in both 12 Month Rolling Rankings and in Year to Date Rankings]. Notification to the Texas section Adult & Senior Ranking Coordinator is required. It is recommended that notification be done by e-mail at: NPerkins@texas.usta.com.

Levels / Open division rules:

13. If only two players or teams enter any levels or open division, and that division is played, the two players or teams will receive 1st and 2nd place points for playing. No other credit or points will be available for players that are merged into another levels division. That is, credit [and points] will be awarded only in the played division, not in a different originally entered levels or open division.
