Inspired by the play at The French Open? Now is the perfect time to start a Kids' Tennis Club (KTC)! A KTC provides kids the opportunity to try tennis in a fun, "open-gym" style format.

Who can host a Kids' Tennis Club? ANYONE! No tennis experience is required! All you need to provide is a safe and fun play opportunity for kids.

The best part is, a KTC can be ANYWHERE! No court is needed – you can play in your gym, driveway, backyard, cul-de-sac, or parking lot!

For even more equipment and fun, become a Hot Shots site! Hot Shots is a team-play, competitive style program for kids of all ages! Check out the [Hot Shots Info Site](#) for more info.
