### FACILITY SEARCH FOR LEAGUE PLAYERS

Open TennisLink for Leagues: <http://tennislink.usta.com/Leagues/Common/Default.aspx>.

This page below should appear.

Click on “Facility Search”

The screenshot shows the USTA League website. The navigation bar includes links for Youth Tennis, College Tennis, Adult Tennis, TennisLink, Improve Your Game, Coaches/Organizers, and Facilities. The main content area features a large banner for 'DISCOVER WHAT 330,000 LEAGUE PLAYERS ALREADY KNOW!' with a 'CREATE A USTA ACCOUNT' button. Below the banner, there are four main sections: 'Start Playing', 'Stats and Standings', 'Find NTRP Rating Info', and 'USTA League Info...'. The 'Find NTRP Rating Info' section contains a 'Facility Search' link, which is circled in red. A red arrow points from the text 'Click on “Facility Search”' to this link. The 'Stats and Standings' section also has a 'Facility Search' link, which is also circled in red. The 'Start Playing' section has a 'REGISTER FOR A TEAM' button. The 'USTA League Info...' section lists various links like 'About USTA League', 'About Self-Rate', 'USTA League FAQ', etc.

Click on “Lookup”

The screenshot shows the USTA League website's 'Find NTRP Rating Info' page. The page has a header with 'USTA NETWORK' and 'Are You a USTA Member? JOIN TODAY OR RENEW'. The main content area is titled 'Search By Facility' and includes a 'Facility Number' input field, a 'Gender' dropdown menu (set to 'All'), and a 'Level' dropdown menu (set to 'All'). A 'Lookup...' button is circled in red, and a red arrow points from the text 'Click on “Lookup”' to this button. Below the input fields, there is a 'Search' button and a 'New Search' link.

Enter the Facility Name. Enter the State. (If you enter only, “State: Washington,” all facilities in Washington State will populate the list.) I entered “Bally” for this example and Washington State. Then I clicked on “Search” and the list of five Bally facilities populated. (The last one is a duplicate of the third because Olympia Bally had two USTA facility numbers over the years.)

The Year End Rating Date will indicate the last year the player played three or more matches in the past three years. If there is not a date, then they have not been given a dynamic rating in the past three years. Some players listed have moved, registered with a new USTA number, or died but not deleted from the Facility’s list. You can click on each name to view where the players have last played and the leagues they played.

- Copy the list and paste it to an Excel worksheet.  
You can do that for all the facilities you are searching, adding each to the list.

- Save the worksheet.
- Remove duplicates<sup>1</sup> (an Excel function),
- Sort the data by city, gender, level or other chosen criteria.

<sup>1</sup> Players are listed on each facility's list for which the player ever played on a team, not necessarily a member.

## ADVANCED SEARCH

Under the Advanced Search, you select the degree of detail—all players in an Area, by level, by gender, by league played. The menu is Drill-down. After one selection, another selection option, and continue until you see Gender and Level.

You may view the list of players in the entire SW Washington Area or request by League (optional) and now select Gender and/or Level. Note: I leave League unselected to view the broadest number of players. If you are forming a Mixed Doubles team you might want to leave Gender as “All” and enter one specific Level, e.g., 3.5. You can go back and broaden your search or be more specific.
