K. PLISKOVA/C. Giorgi

6-3, 4-6, 6-0

Q. Can you just talk about today's match and how you played today?

KAROLINA PLISKOVA: Definitely, first of all, tough conditions from yesterday with the rain delay and everything. So happy that I made it.

I think I played pretty solid. It's a tough match always against her. She's playing quite fast. But happy that I made it.

Q. Next you'll play someone you have played a lot this year, Wozniacki. How do you see that match?

KAROLINA PLISKOVA: Yeah, we have had a lot of matches this year. I know how is she playing, so I know what to expect. I have to be so aggressive enough and make some winners and serve well.
