
Utah Juniors Make their Mark at Intermountain Championships

November 11-15, 2017

USTA Intermountain Level 3 Closed Fall Championships was held in Las Vegas where Utah juniors made an impressive showing in every age division. We are especially pleased with the 12 year old players who have also participated in our Early Development Camp. Over 400 competitors entered in this year's event. It's wonderful to see the pay off for these players who invest many hours of practice for the sport.
