

Salt Lake Tennis & Health Club

Ribbon Cutting Ceremony

May 5th, 2017 was a day of celebration at Salt lake Tennis & Health Club. Laury Hammel, owner, along with many staff, construction company staff, and members of the public attended the Ribbon Cutting ceremony to mark the new chapter in the life of what was formerly named Salt lake Swimming and Tennis. The beautiful new facility will offer expanded services such as fitness classes and opportunities for people to play basketball, yoga, soccer and workout. The new fitness facilities will complement the already strong tennis and swimming programs.
