How will the selections be done?

The top 8 finishers in the 12-18s Qualifying (Semis of Main Draw & Back Draw) automatically qualify for the Southern Closed Championships. The next spots in quota are determined by the player's result at the Qualifying along with their Southern ranking upon completion of the Qualifier. Head-to Head results from the qualifier will ONLY be used in the event where two players reached the same round of the qualifier, with the lower ranked player beating the higher ranked player. This would result in the lower ranked player being placed higher on the endorsement list. All players wanting to be considered for selection must have applied to the USTA Southern Championship in their age division.

Players who receive Medical Waivers will be placed on the endorsement list, but will NOT automatically be accepted for the Southern Closed. Players who receive Waivers due to high caliber of play will be placed at the top of the endorsement list.

How to find out if you are selected?

All applicants should check the individual tournament site for selections/alternates on the evening of June 5th.

What if you are listed as an alternate for the BG 12's?

Once you have been chosen as alternate in the BG 12's you could be selected to the tournament if someone from the TN quota list is unable to go and notifies the tournament before the draw is made. Once the draw is made, Southern will order the alternates and ask alternates to fill in the draw based on that list as selected players are unable to come and notify the tournament. It is your responsibility to check the individual tournament site for selections/alternates on the afternoon of June 8th.

What if you are listed as an alternate for BG 14-18's?

Once you have been chosen as an alternate from TN, you are then put into the Southern list with the alternates from the other eight Southern states. USTA TN is not responsible for which alternates are chosen to enter the main draw of the Southern Closed. To find out if you have been selected to play in the main draw of the Southern Closed, you may check on the appropriate Southern Junior Closed website (listed on following page) on June 9th in the afternoon. Remember it is your responsibility to check- No one will call or email you. There are 14 spots for alternates in each Southern Closed draw. After the draw has been made, the remaining alternates may continue to be called up if there are players who must withdraw prior to start of play. If you are an alternate, be sure to keep watching your Southern Closed Tournament website closely.
