Dear Section Executive Directors and Endorsers,

On behalf of the City of Chattanooga and The Chattanooga Sports Committee, we would like to invite you and your Section's best male tennis players to the 2019 USTA Boys 18 National Team Championship. Everyone involved with the planning of this event is honored to bring such a prestigious tournament featuring our nation's top junior tennis players to Chattanooga for 2019. We think Chattanooga is a terrific destination for you, and our tennis community is excited to showcase our city. It is our goal to make this a unique and memorable experience for each of you.

The event will consist of four days of competition with each team competing in a minimum of three total matches, weather permitting. A dual match will consist of three doubles pro-sets and six singles matches. The tournament will begin on Saturday, July 27, 2019 and conclude on Tuesday, July 30, 2019. All matches will be played at The Champions Tennis Club, weather permitting.

Through the years, Chattanooga has hosted numerous USTA National Junior events, as well as many ITA National Championships and Conference Championships. It is our goal and expectation to run this event with the utmost professionalism, and we hope that you are as excited as we are to play in Chattanooga this summer. Enclosed you will find all the necessary information pertaining to this year's championship. Please contact me with any questions you may have.

Sincerely,
Eric Voges and Andrew Rogers

Only the Section may make changes to the Team Endorsement List (replacement of withdrawing players and/or change to the order of endorsement). Coaches **MAY NOT** make any changes to the list. Changes to the Team Endorsement List must be made in writing to the Tournament Director no later than three days prior to the start of the tournament. Any emergency changes to the participating players required past the deadline will be handled by the Tournament Committee.

Team Coaches

All Sectional Teams must have only one adult who shall be designated by the Section as the Team Coach on the Team Endorsement List. This individual shall serve as the chaperone and is responsible for the supervision of the team during the event. Coaches are required to exemplify the highest standards of conduct, including but not limited to, fair play and sportsmanship. Coaches should consider themselves role models for players.

Each Section will be responsible for the designated coaches' expenses.

The coaches **MUST** stay with the team at the hotel until the last member of the team has finished the competition on the last day of play with the intent to return home, or travel to another tournament. Coaches are responsible for player safety and conduct at all times. Coaches are not permitted to leave their players in the care of another team coach or chaperone.

Coaching During Matches:

A player may be coached by the designated team coach during the match. ONLY the designated team coach may coach during competition. Coaching must be carried out in a manner that does not distract play on any adjoining court. The coach may enter the court **ONLY** during a changeover or set break. On-court coaching must be done from the net post area or player bench area. Off court coaching must be done from outside the fence, and must not interrupt play or be distracting to play on an adjacent court.

We welcome all parents and personal coaches to the event, but these individuals will be **SPECTATORS** throughout the event.

Team Line-Up

A Section's line-up for each team match must be submitted to the Head Referee (or Head Referee's Designate) thirty minutes prior to the start of the team match. No changes to the team line-up may be made except for illness, injury, or personal emergency. Any changes to the team line-up are subject to approval of the Tournament Committee. A player who does not play or retires from their singles match due to injury, illness, or personal emergency is eligible to play doubles on the same day.

Singles Line-up: Players must play in positions that are in the order determined by the Section on the Team Endorsement List. When a player is removed from the Singles line-up, all players will be moved up as necessary, and the No 7 Singles Player will compete at the No 6 position.

Doubles Line-up: Doubles line-up combinations will be determined by the Coach. Coaches must use good faith in determining the order of strength, and matches must be played in order of strength.

Minimum Matches: If a Section sends a team with 7 players, every team member must play in at least one official team match per day and at least one official team singles match during the entire competition. (i.e. the no 7 Singles player can play doubles every day, but MUST play singles on one day of competition).

Tournament Format

The USTA Boys 18 National Team Championships shall use a Compass Draw (Available in Appendix D). ALL Singles Matches shall consist of the Best of 3 Tie-Break Sets. All Doubles Matches shall consist of an 8 game pro-set, with a set Tie-break at 7-7. Regular scoring shall be used in all Matches.

Each team match between two Sections shall consist of 3 Doubles Matches followed by 6 Singles Matches. ALL Singles and Doubles matches will be played to completion. A total of 7 points will be awarded during each match. Each Section will receive one point for each singles match won, and the Section who wins the majority of the Doubles matches (2 of 3) will receive additional point. Defaults, walkovers, withdrawals, and retirements will count as losses.

If an even number of matches are played (due to inclement weather), the winner of the doubles point/team match will be determined in the following successive steps:

1. Highest percentage of sets won of all sets completed
2. Highest percentage of games won of all games completed
3. Coin Toss

Any match played between two substitute players from a Section that are not listed in the team line-up will NOT count toward the team match score and will not count for National Junior Ranking Points.

After the completion of a dual match, the coaches of both teams MUST sign the score sheet.

Seeding

The National Standing Lists will be used for seeding teams. The Tournament Committee may use additional seeding resources including UTR, the advice of USTA National Coaching Staff and ATP/ITF ranking lists to determine seeding strong players who may not appear on the National Standing List.
