Valley Tennis - Fall Brawl Singles Compass Tournament

www.pvcta.usta.com
September 3rd to October 14th - Tournament Director Kirk Comer 540-742-1323
Registration Deadline is Friday, August 25th at 6pm

Multiple Divisions (based on skill level)

First 8 players to sign up in the division will fill that division. If a division is full we will keep your money in hopes of having 8 more players to fill a second division for the same skill level. Skill levels and formats may be combined or format of play could change depending on number of entries.

Compass Format

The compass format for an 8 player division includes 3 rounds for each player. You will move East, West, Northeast or Northwest depending on if you win or lose. At the end of each division there will be four championship matches. See back of this flyer for the bracket. Players contact each other to play and have 2 weeks to get their match played at a time and location of their choosing. This is a very flexible tournament that everyone can enjoy!
