Living with memory loss?

Researchers at Dell Medical School at The University of Texas at Austin invite you to volunteer to take part in a long-term observational study to discover the causes of Alzheimer’s disease. If you identify as Hispanic and have memory loss, you may be eligible!

Qualified participants must:
• Be 50 or older
• Have a study partner available to participate in person or over the phone
• Return once a year for a 4-hour visit

Qualified participants receive:
• Study-related exams with healthcare staff and memory tests at no charge
• Compensation for their time

If you would like to participate or if you have questions, contact Alyssa Aguirre at 512-495-5236 or alyssa.aguirre@austin.utexas.edu.

This study has been approved by The University of Texas at Austin Institutional Review Board.
