

GOLYTELY – COLONOSCOPY SCHEDULED BEFORE 11AM

Your provider has selected GoLyteLy bowel regimen for your bowel prep. You must finish the entire dose this medication in anticipation for your colonoscopy the evening prior to your colonoscopy.

ONE DAY PRIOR TO PROCEDURE

- Begin clear liquid diet
- Drink at least 4 large glasses of water throughout the day.
- 8pm: Prepare Golytely as directed, shake well. Drink 1 glass every 10 minutes until medication is consumed.
- **NOTHING TO EAT AFTER MIDNIGHT**, OK to continue to drink water.

PROCEDURE DAY

- You can continue to drink water up to 2 hours before your arrival time.

After your GoLyteLy is complete your stool should appear as a clear yellow or green liquid with NO solid matter.

If your colon is not clean, or if you have questions call 833-882-2737 during regular business hours (8am – 5pm) or if it is after-hours (5pm – 7am) call 512-324-7000 and ask to page the Gastroenterologist on call.

You should take your essential medications with a few small sips of water.

Do NOT take your diabetes medications until your procedure is completed.
