BOUND**
Pet Adoption Center

*Formerly the
Camden County
Animal Shelter*

camdencounty AT LAKELAND CAMPUS

The Homeward Bound Pet Adoption Center is an open admission shelter located in Camden County, NJ that has maintained an over 90% live release for 2 years and is looking for someone with a passion for saving lives. Homeward Bound Pet Adoption Center seeks a motivated individual to oversee the medical and surgical needs of animals in our care to include providing high-quality, high volume spay/neuter surgeries. This position requires strong communication and team building skills with both shelter staff and volunteers.

Essential Functions:

- Perform high volume spay/neuter surgeries to include pediatric spay/neuter.
- Oversee pre and post-operative care of animals.
- Perform additional surgical procedures on an as needed basis such as: lumpectomy removal, hernia repair, dental and tooth extractions. Limited orthopedic and ocular procedures.
- Provide wellness care for in shelter and client animals including but not limited to, disease prevention programs, routine health care, vaccines, testing and treatments.
- Remain up-to-date on professional advances on animal health protocols, surgical procedures and companion animal health issues.
- Responsible for proper protocol adherence on medication and drug usage to ensure animals are cared for when absent and/or by technicians. Follows professional standards and guidelines.

Qualifications:

- Degree in veterinary medicine from an accepted school is required.
- Licensed to practice in the state of New Jersey or ability to obtain license.
