The People Who Help
AFL-CIO & United Way Partnership Directory

The AFL-CIO & United Way Partnership began 80 years ago. Our beneficial and long lasting partnership has engaged hundreds of thousands of working people—union members and non-members alike—in programs that benefit communities across the country, and assist millions of workers in their time of need.

The United Way and the labor movement share a common vision of prosperous, inclusive, diverse and safe communities where every member of the community has access to quality public education, fair wages, productive work opportunities, and accessible, affordable, quality healthcare.
