Children can’t concentrate in school if they’re hungry. That’s why United Way for Southeastern Michigan is working with schools to make breakfast free for every student. Breakfast can impact attendance, test scores and even graduation rates. In high-need schools across six Michigan counties, breakfast is served in the classroom. Some schools are already showing signs of success, tripling the number of children and teens eating breakfast at school in just one year.

CHILDHOOD SUCCESS
GOAL: Children Enter School Ready and Are Successful in Primary School

**UNITED WAY and ELI LILLY** are partnering to build stronger communities, especially where employees live and work. Together, we’re focused on providing Lilly employees opportunities to make meaningful change through volunteerism. Our aim is positive, measurable social change – especially in early childhood education, financial stability and health – wherever both organizations have strength and presence.
