A Look at the Brewers

The Brewers picked up their first Liberty League win this past Saturday by a score of 2-1 over the Tigers of RIT. Vassar got off to a quick start as Hayden Van Brewer buried a penalty kick less than 13 minutes into the game. About 13 minutes later Jose Novas added to the lead off assists from fellow seniors Reid Smith and Tanner Sands.

Vassar has had a very selfless and distributive offense as they have as many assists, 14, as they do goals. The Brewers remain unbeaten on Gordon Field, sporting a 2-0-1 record on their home turf.

The Brewers’ offensive production has been very senior and sophomore heavy as 37 of the teams 42 points have been recorded by those two classes. Sophomore Mattie Mrlik is either tied or leads the team in goals (4), shots (26), and shots on goal (13). After recording just one assist between his freshman and sophomore years, senior Hayden Van Brewer has amassed a total of four goals and 13 assists in his past 28 games. All four of his goals have come this season.

Jose Novas and Kevin Baliat have been great compliments to the production of Mrlik and Van Brewer up front as the two forwards are tied for the team lead with three assists.

A Look at the Raptors

Bard opened Liberty League action with a 3-2 overtime loss to RPI. Senior Nick Shenberger scored both of the Raptors goals in the game.

The Raptors have been on the unfortunate side of two overtime losses so far this season. The one common opponent of Vassar and Bard this season, Mount Saint Mary, defeated the Raptors 4-0 but lost to Vassar 3-1.

Bard comes into this midweek contest on a three-game losing streak, but lost each contest by just one goal.

Nick Shenberger will undoubtedly be the man to watch for the Raptors as the senior leads the team with five goals on the season and has played in just four games. John Flynn will be another player to watch upfront for the Raptors. He is second on the team in points (6) and goals (2), and leads the team in assists (2).

Freshman Hunter Davenport and Denis O’Shea lead the Raptor backline in minutes with 523 and 478 respectively.
