A LOOK AT THE BREWERS

Junior Bryan Rubin had a strong week for VC last week, chalkling up two hits against Old Westbury, and chalked up three hits and three RBI in game one against SLU in game one. Vassar is hitting .417 with the bases loaded so far this year (5-12). With a runner on third base and less than two outs, Vassar has advanced the runner 76.7 percent of the time. Freshman Tanner Blough hit .429 over his first four conference games, adding a team-high five RBI in conference action. Sophomore Narenda Martin doubled in a pair of runs in his first Liberty League at-bat. Daniel Bonfiglio, Bobby Kinne, Evan Traush and Tanner Blough are the only four players to have played all 12 games this year. Sophomore Max Spencer has posted a dazzling 0.95 ERA over his 19 innings this season, as batters are hitting just .164. Traush currently leads the team with a nine-game hitting streak, also having a reached base safely streak of 10 games. The 3-1 conference record through four games is the best in program history.

A LOOK AT THE THOROUGHBREDS

Skidmore comes into the weekend batting .252 as a squad, which is eighth in the Liberty League. The Thoroughbreds are true to their nameake, as Skidmore is second in the conference in stolen bases with 29, being caught only five times this season. Skidmore's pitching has been effective this season, posting the conference's second-best ERA at 4.38. The T-Breds are seventh in the Liberty League in fielding percentage at .943. Matt Chipkin leads the team in hitting with a .343 batting average, also posting two homers and a slugging percentage of .629.

Will Potter is batting .340, while Patrick Geiger is batting .321 for Skidmore. Sam Beck, Spencer Anderson, Jay Gamboa and Spencer Meyer have started the conference games for the Thoroughbreds. Andrew Akins is the top bullpen arm for Skidmore, allowing no earned runs over seven appearances.

BREWER BIO ON ... JAKE DOYLE

Junior catcher Jake Doyle has had a strong start to the 2018 campaign, as the backstop has posted a .304 batting average over his opening nine games of action, earning seven starts. Doyle has a very quick release behind the plate, calls a great game, and is a field general when wearing the tools of ignorance. Doyle currently has an eight-game reached base safely streak, second-longest active streak for the Brewers. In fact, he has reached safely in every game he’s had an at-bat this season. Doyle was 2-for-4 with an RBI and run scored against Old Westbury last week, but his defensive work has been even more impressive. Doyle has caught 75 percent of potential base-stealers this season, as only one runner has stolen successfully on Doyle out of four so far this year.
