OPTIONAL CAMPUS TOUR
4:50 PM-5:50 PM

MEET THE COACHES

Michael Wannari recently finished his fifth season as the head coach of the Vassar field hockey team in 2017, as Vassar found itself in the Liberty League Tournament for the fifth straight season.

In 2016, Wannari and his team posted 14 wins, including four wins over nationally ranked opponents and three against teams ranked in the National Field Hockey Coaches Association (NFHCA) Top 20 poll. Furthermore, Vassar received votes in the NFHCA poll for four consecutive weeks and also hosted a Liberty League Tournament contest for the first-time ever at the College. Vassar won a program-best seven straight games mid-way through the year, and also broke school records in 2016 for shutouts, points, goals, and assists. So far, Wannari has earned 49 wins as the head coach of the program, the second-most of any coach ever at Vassar.

Wannari, who came to Vassar during the summer of 2013, wasted no time making a name for himself on the sidelines. During his first season with Vassar, Wannari led the Brewers to a 10-win campaign, making the Liberty League Playoffs for the first-time ever. For his efforts, Wannari was named as 2013 Liberty League Coach of the Year.

Chrisisy (Lewis) Summer, an '08 Vassar Alumni, is coming off the 2017 season coaching with Vassar College. Chrisisy owns a field hockey/leadership organization, Beyond Sticks, which serves over 600 players every season between non-profit leagues, clinics, camps and on collegiate club teams. Her 4 years of Head Varsity High School experience, a graduate assistant position at Georgetown in 2017, and 5 years of club and camp coaching, bring a wealth of experience to the Weinberg field. In 2015, Chrisisy was honored by ESPN with the Toyota Everyday Hero Award for her work to enrich the lives of young women through sport.

ABOUT VASSAR

Founded in 1861, Vassar College is a highly selective, residential, coeducational liberal arts college. Consistently ranked among the top liberal arts colleges in the country, Vassar is renowned for pioneering achievements in education, for its long history of curricular innovation, and for the beauty of its campus. We are located in the scenic Hudson Valley, 75 miles north of New York City, in Poughkeepsie (area population about 100,000). Vassar is a residential area three miles from the city center and is home to 2,400 undergraduate students with a student-teacher ratio of 8:1; average class size is 17 students.
