New: vAuto offers Manheim Express Request Concierge Integration

Directly from your Provision Gauge Page, request a Manheim Express Concierge to come to your dealership to inspect and list your unit for wholesale.

TURNKEY SOLUTION:

When moving inventory through the wholesale process, you can easily request Manheim Express Concierge to help you move inventory quickly and effectively, right from your lot.

The Manheim Express Concierge Team helps you move inventory quickly and effectively, right from your lot. A Client Solution Specialist will visit your lot and take care of vehicle inspections (including a graded condition report), imaging, and listing. Plus, these trusted advisors recommend vehicle values and partner with you on your overall remarketing strategy.

Through this partnership, vAuto and Manheim are committed to helping you reduce depreciation risk and drive even greater inventory profitability.
