Hey Kids,

We are thrilled to update you on what God has been doing in our lives and in the life of Cornerstone International Church. We invite you to rejoice with us for all that God is doing.

Deshni and I are doing well after a long and cold winter.

We are adjusting to the weather, but it is nothing like the weather in South Africa. We are glad that spring is here with sunshine and signs of new life all around us in nature.

Speaking of new life, Deacon David Holland is doing great. I am sure you remember him from the videos. Deacon David continues to drive

the church van and we have visitors every Sunday at church. He picks up his friends for Bible studies as well as worship service on Sunday. Many of his friends have

become Christians. This year, Deacon David has started to be a church planter intern at our church. This means that he is being trained to plant a new church just like Cornerstone! There are many people who do not know Jesus in Connecticut, and we need to plant (start) more churches. We praise God for His guiding hand.

I am excited to share with you that our church celebrates its five-year anniversary this year. We look back at what God has done and continue to give Him praise. Over the past five years, we have been leading people to the Lord and making disciples. They in turn are leaders at our church and are now reaching out and making more disciples. Our church is growing fast and we are now running out of space in our worship space. God is awesome!

Remember our Tibetan friends from the video? Well, we continue to love them and teach English classes. We continue to invite them to church and enjoy building relationships with them. We have so much fun with the kids.

Here are some of the ways you can be praying for us:

- Pray that we continue to share Christ and make new disciples.
- Pray for Deacon David as he plans to start a new church.
- Pray that we get a bigger place for worship and more classrooms.
- Pray for our Tibetan friends to come to know Jesus.

Thank you for praying for us. God answers when we call to Him.
