## Decorating

Create an awe-inspiring environment for kids as they enter the Scissors and Stuff Emporium. Try these ideas to transform your crafts area:

- Hang the Scissors and Stuff Emporium panel from the *VBS 2013 Colossal Coaster World Super Duper Sized Backdrop* (005487651) on a focal wall.
- Create “store signs” with the daily Bible verses printed on them to hang on the walls.
- Set small colorful pails on the tables to hold supplies.
- Use the *VBS 2013 Floor Prints* (005527654) to lead kids into the shop.
