

Alternate VBS Schedules

All Day Schedule

An expanded daily schedule allows VBS activities to extend beyond the basic three-hour schedule.

Expanded schedules all churches to provide for children who might not otherwise attend VBS. The amount of time a church expands the schedule depends on the church and the circumstances.

Sample All Day Schedule

12:00-12:30	Lunch (brought from home or provided)
12:30-1:30	Recreation

2:30-3:00	Refreshments
3:00-4:00	Crafts
4:00	Dismissal

One Day Plan

When time is short, plan a one-day VBS. Consider kicking-off your VBS the night before and shorten some of the rotations. Omit anything from the schedule, but Bible study times. The following example will get you started:

Two Week Schedule

When you have an extended amount of time, consider a two week schedule for VBS. Expand the schedule to allow for exploration of all the activities. Plan to spend two days on each day as follows:

Day 1—Use Day 1 Bible Study and lengthen time for rotations.

Day 2—Begin with Day 1 Application or Review Activities. Choose a Day 1 game, snack idea, and craft. For music, use the *VBS 2014 Agency D3 Music Book* (005545882) and the *Music Rotation and Musical CD* (005545940) to learn the musical.

Day 3—Begin with Day 2 Bible Study and lengthen time for rotations.

Day 4—Begin with Day 2 Application or Review Activities. Choose a Day 2 game, snack idea, and craft. In music, continue learning the musical.

Continue in the same manner for the remaining days
