FACT SHEET
MAJESTIC ELEGANCE PUNTA CANA

Opened in November 2008, the **Majestic Elegance Punta Cana** is the perfect resort for a clientele which is demanding a high-end variety of facilities and services. With the addition of the **Majestic Elegance Punta Cana**, we are also contributing to the development of the Punta Cana / Bávaro beach region with highest standard of property's helping the destination and the country to develop a superior quality of tourism.

This spectacular 5 star All inclusive resort is surrounded by the most astonishing landscapes, exuberant flora and fauna, making it an ideal place for Caribbean lovers and first timers visiting the Dominican Republic. Two words "comfort and style", offer a perfect description of Majestic Elegance Punta Cana.

LOCATION AND CLIMATE

The **Majestic Elegance Punta Cana** is located in Arena Gorda (Playa Bávaro) next to Macao and 25kms away from the Punta Cana International Airport, 45 minutes from La Romana International Airport and 1hour 45minutes from Santo Domingo's International Airport "Las Americas". The Historic City of Santo Domingo can be easily reached by road in about 2 hrs.

Located just next door to its sister hotel, the **Majestic Colonial Punta Cana**, and sharing some common facilities at the Caribbean street (located between resorts). Can be easily reached in 3 minutes by foot.

The east coast of the Dominican Republic enjoys tropical weather with an average temperature of 27-30 degrees Celsius all year round and always touched by a gentle and fresh sea breeze that calms the warm temperatures. Rains are sporadic and normally in the form of short Caribbean showers, not affecting the entire day.

NEARBY ATTRACTIONS

There are several Natural parks for outdoor lovers such as Los Haitises, and the islands of Saona and Catalina (near la Romana) are easily accessible with a daytime excursion.
